Natural therapies

Ravaged by the bushfires, but returning to its full beauty the whole region has so much tranquility, harmony and spirit. Join us and escape from daily life on a special journey of empowerment and rejuvenate your body and mind in our expert hands. Our retreats are designed to help return balance to your life, promote your potential and empower your dreams.

In beautiful surroundings we stimulate your mind, body and spirit with various programs and you can indulge in a wide range of natural therapies tailored to your needs.

Our SPIRIT™ program (Special Program In Rich Inner Transformation) has been carefully crafted for every woman. An affordable, special time out, the escape or treat you deserve, Experience the transformation for yourself.

Set in this fabulous private and tranquil 60 acre country estate the peace and beauty of Maryton Park are the perfect partner for our new SPIRIT™ Women's Retreat. With majestic mountain views, surrounding natural attractions, great accommodation and sumptuous food.

It's hard to believe you are just 90 mins from Melbourne.

When you are not relaxing or stimulating your mind with our programs and therapies try different activities and country walks or escape to local attractions and true nature.

This special price\* is inclusive of the excellent accommodation and facilities, our SPIRIT™ program, seminars, all meals, a complimentary wine tasting, (upon availability). Optional therapies including massage will be on site. It is an experience to be remembered.

From \$645 Per person twin share inclusive\*

\*Various room types available according to accommodation requirements. Prices vary and for more information on offers, facilities included, venues, or our private SPIRIT™ programs please contact us.
